Two Man Anne!

I'm always up for threesomes, foursomes and moresomes, and luckily my hubby's more than happy to indulge me, as long as he gets to watch – and usually film – the action. While I was browsing a swingers' site recently I came across a couple of guys who live quite near us. They had posted some nude pictures (always a good idea, guys!) and I could see they had enormous schlongs, so I got in touch with them, saying yes please, I'm up for it!

Everything was quickly agreed and Mark and Simon travelled to our house. While I was waiting, my husband took these pics to show you how I was dressed, ready for the boys.

When they arrived I knelt down with Mark and Simon on each side. I gasped when I saw the size of their cocks in the flesh but was soon stuffing my face with them like I hadn't eaten for weeks.

After I had spent five minutes gagging on their meat Mark knelt down behind me and began to jam his monster cock into my oozing cunt, while Simon was still wedged in my throat.

Mark rode me hard from the rear, like a bucking bronco, sweat pouring down his chest.

When it was time to swap I tasted my cunt juices on Mark's cock and cried out as Simon skewered me on his dick.

All the time my husband was following the action, directing it just like he was making a real porno.

The next "scene" had Mark laid on his back with me straddling him, his cock stretching my cunt lips wide open. Simon stood behind me and I could see in a mirror he was lubricating his big dick with baby oil.

He began to worm his cock into my arse and after a couple of unsuccessful attempts managed to slide the monster up my arse.

I screamed in ecstasy as both my holes got a good old-fashioned pounding.

My husband was still filming, but he was having a hard time keeping the camera still as he was wanking so hard.

After what seemed an eternity, they both pulled out. They knelt down for the final cum shot "scene" and I wanked and sucked them both off.

Mark came first, shooting a wad of hot sticky cum all over my face. My husband saw that and couldn't take any more, spraying his jizz all over my tits.

Finally I felt Simon's balls twitch, followed by a gush of salty sperm right down the back of my throat.

It turned out to be the best sex session I've had for a long time and we all agreed to do it again soon.

Next time I'm looking for a girl to join us, to take some of the punishment!

I hope you like my pics and story. It would be a great thrill to see them published.

Anne, W. Yorks.

You've got to hand it to Alexxa's spectacular tattoo collection, haven't you? There's so much wildlife she's probably only a rockhopper penguin away from a full episode on One Planet Seven Worlds!

"Don't get me started on wildlife programmes – I absolutely love them!" she gushed when we mentioned it. "I recently got myself a new telly so I can watch them in really high definition, and each series seems to be better than the last! So would you like to see a rockhopper penguin on me?"

Not as much as I'd like to see me there!

Doorman Conquest

An invitation to a 60s themed hen-night resulted in a lot of fun for my husband and I! Firstly the outfit of short skirt, stockings and suspenders gave David the biggest hard-on and he couldn't wait to see the rest of the girls. He eagerly agreed to chauffeur us all for the evening.

We were trawling around the local pubs and clubs and as usual with hen-nights there were "forfeits" to get us in the mood.

When it was my turn the giggling group of girls informed me I had to find a man willing to remove my G-string with his teeth.

The doorman of the club was a real hunk and he seemed to like what he saw so to get his attention I undid my tight blouse, revealing a skimpy bra and a lot of my ample cleavage.

He came to our table and after a lot of flirty banter and encouragement from the other girls I whispered to him that it would be good to go round the back of the club and promised it would be worth his while if he helped me with my forfeit.

He was really up for it when we got into the back room. He took off my bra and began teasing and kissing my tits. By now my hands were inside his trousers and he slowly worked his way down my body, kissing and licking till he reached my G-string.

When he worked his tongue around my clit I came hard. I repayed him by sucking him off and it was time to go. He asked if he could keep the G-string. I said that I would come back for it.

By this time David was waiting in the car to take us all home. He dropped the others off and I asked if he would take me for a drive.

As we headed for the M40 I told him I wanted to put on a show for all the lonely lorry drivers. We both get a lot of pleasure out of this.

I began flashing and David noticed my G-string was missing.

I told him what I had done and this turned David on so much we both enjoyed a long and passionate night of fucking.

Amanda, Oxon.

What with the lipstick, cardy, panties, nosed-puppies and pussy, it looks like Eliss here's got a real soft spot for pink…

"Well, I can't really do anything about the colour of my pussy or my pink-nosed puppies, can I?! Actually, I think my favourite colour is actually green, but I thought your readers might like this look and, well, I didn't want to end up looking too much like Robin Hood!"

Umm, we're sure there was never much danger of that – even that rather girly looking Robin Hood that was on the telly in the 80s.

Window of opportunity

One warm Thursday morning my husband decided to take the morning off. He was feeling randy and fancied some kinky sex.

He dragged me upstairs to the bedroom and ripped off my clothes. "Right bitch, you want it?" he asked. Of course I wanted it!

He is so fucking horny, with bulging muscles and a nice big fat cock that was begging for dirty sex. He threw me to the bed how I like it. I was his prisoner, unable to move.

He teased me by licking my cunt, which was by this time very wet and begging for his cock.

He licked my clit till I was screaming so loud it drowned out the sound of the window cleaner putting his ladder up against our wall to clean the windows.

He must have been there for ages, as by this time the windows were steamed up. Then he knocked on the window loud enough for us to hear.

My husband opened the window and Steve the window cleaner boldly asked if he could join us. Being horny fuckers, we both said, "No, feel free!"

I must say the size of the bulge in his trousers made me feel even more excited. My pulse was racing and I really wanted his cock deep inside me.

When I took off his trousers I realised his cock was fucking enormous.

My husband untied me and shoved his huge cock up my arse.

The window cleaner started caressing my hot cunt. This turned my

husband on so much he shot his warm cum right up my arse.

Steve the window cleaner then took me up the cunt from behind.

He had the biggest cock I'd ever had and I was screaming. I told him to get on top of me and he did.

He pumped me strong and hard while my husband came over and stuck his cock in my mouth. We all pumped and moaned and groaned until we came together.

When we did it was fantastic – there was spunk all over me. I can't wait for the next session. In fact Steve can do our windows every day if he likes!

Susan, Somerset.

Carol services are never complete without a bit of 'A-rup-a-pum-pum'-ing with the Little Drummer Boy, but we thought we'd go one better and get our own (not so) Little Drummer Girl in to help us prepare for the festive season (well, it's only a couple of months away)! "Oh, I love that song, although the kind of drumming I'm into is a bit different to that!' insists Charlie, giving the skins an al-mighty clattering to prove the point. Hmm, not bad – do you put in much practice to get that good? "Just the occasional paradiddle." Umm... do you mind if we watch?

A couple of years ago Melany couldn't have imagined posing in the nip for Escort, but things have clearly come a long way since then…

"Ha, yeah! I was in a long-term relationship that had gone pretty stale. We hardly ever had sex and things were just drifting along until I met a new fella and decided to chuck my old partner. My new man's a lot more sexual, and he helped me develop my sexier side, so now, at long last, I feel like I'm living life to the full! Posing for Escort's just one in a long line of naughty things I've been getting up to…"

REAL WIFE SEX

Jenny does the dirty on her old man...

"I poked my tongue out and licked the glistening pre-cum from his tip."

Once a month me and a couple of girlfriends go out together for a night of drinking, dancing and flirting that never goes anywhere because I've been married for three years. Well, it never went anywhere until a couple of weeks ago…

My husband Martin watched me as I got dolled up for a night out. It wasn't unusual for him to compliment me but his jaw dropped when he saw how I looked that night. He came over, grabbed me from behind, and gave me a sexy kiss on the neck. I could already feel his stiffness pressing into the small of my back. I gave his cock a gentle squeeze through his trousers, before telling him, "you can save that for later."

Out on the town, the evening got off to a flying start. The girls, Sue and Marie, were on good form, and after a couple of bars we were getting merry and in the mood for some fun at a club. After half an hour on the dancefloor, we were all knackered and in need of a drink. At the bar next to us were three gorgeous guys.

"What do you reckon?" Marie said, raising her eyebrows and grinning.

"Definitely worth a look," said Sue. "How about it Liz?" My head was buzzing, both Sue and Marie were single, and I couldn't spoil it for them. I was having a good time, and there was part of me that wanted to know if I still had 'it'. I pretended to rummage around in my handbag, slipping off my telltale rings in the process and then said, "let's do it."

The blokes bought us drinks and we sat chatting together at a table. It became obvious that out of the three of them, Andrew was paying me the most attention so when the others went off to dance we stayed at the table and continued chatting. He was showering me with compliments and I laughed, feeling myself blushing in the gloom. I still didn't intend to cheat on Martin, I was just playing, right.

But thinking that didn't stop me from noticing how gorgeous Andrew was. My eyes kept wandering down to his crotch and over his torso, tautly muscled under his tight top. He moved closer and my breathing got shallower. I could feel my nipples sensitise and harden against the material of my bra. He leaned in to kiss me, but I turned my head, still unsure whether to go through with it. His hand brushed over my bared thigh and I moaned, feeling my stomach drop. Andrew pushed his crotch against my leg as we kissed, and I hungrily traced the line of his hard cock with my fingertips. Grabbing his hand I urged him to play with my pussy as surreptitiously as he could in the crowded club. He roughly pulled the saturated crotch of my knickers aside and put his fingers inside me, using his moistened thumb to tease my clit. I wanted desperately to feel him inside me.

We went outside, the night was warm enough and we found some bushes nearby. Andrew's cock was broad, about seven inches, and so hard there was no give in it. Stroking his foreskin back and forth, I poked my tongue out and licked the glistening pre-cum from his tip, savouring its taste as I did so, but he was eager, taking a handful of my hair he pulled me onto his shaft, fucking my mouth with short jerks.

This was not enough for him or me for long, so I turned onto all fours, pulling my skirt up so he could see my wet thong between my puffy pussy lips. Those knickers were down in a moment, and his hardness inside me, stretching and filling me like Martin never had. As he built up a powerful rhythm, he reached a hand round and played with my clit, sending shivers of pleasure throughout my body.

Andrew leaned forward, nibbled my ear, and then whispered cheekily, "will your husband mind that I've made his wife very

dirty?"

My cunt muscles spasmed around his prick. This sent him over the edge too, and he groaned loudly as waves of hot spunk burst inside me, splashing hotly against my cervix, setting off a new series of overwhelming spasms within me.

We kissed while I cleaned myself up, trying to make myself presentable again. I looked down at my hand and noticed that my rings had left pale marks on my index finger.

Back in the club I found Sue and Marie and they grinned at me, asking me if I had enjoyed the evening. On the way home pangs of guilt went through me, but I thought that, to not make Martin suspicious, I must just be normal when I got home. That shouldn't have been too difficult as I was on such a high and still buzzing hornily, feeling the moisture between my legs.

"Had a good time Lizzy?" Martin asked after opening the door to me dressed in T-shirt and boxer shorts.

"Great night, quite tired though," I replied truthfully.

He kissed me deeply, pressing himself against my already well-used mound, and to my surprise, my body responded. Two guys at once had always been a fantasy of mine, and this was as close as I would ever get.

"Take me to bed," I sighed, stroking his hardening cock through his white boxer shorts. We undressed and got under the covers, Martin slowly kissing and licking my hard nipples, he put a hand between my legs and gasped when he felt how wet I was.

"You're so wet and silky tonight, I'm so glad I waited up for you, you dirty girl," he smirked. I gyrated my pelvis on his fingers in reply, just sighing. Martin kissed lower and lower before I realised what he was doing, I wondered if I should try and stop him. Too late, his tongue gently circled my clit, and I groaned, unable to prevent the pleasure the perverse situation and his attention to my juicy pussy was causing in my body. His tongue lapped lower, exploring my vulva, before delving deep into my soiled cunt.

"You taste so dirty, lucky I was here to clean you up," Martin murmured. It was all too much. I came, pulling his face hard into my pussy. I like Martin to come on my face and tits. It wasn't long before he obliged me, coming in more quantity than I had ever seen him come before, on my tits, neck and belly. I rubbed his silky mess into my skin, and thanked him for a great time.

I still feel guilty, but I had the best sex I'd ever had that night, and I can't rule out a repeat performance in the future.

You'd think we might have learned our lesson after the debacle with Sophia and Nicola failing to get the extension built, but no – we just couldn't help going back the the 'Randy Babes Agency for Home Improvement Services' when we needed some decorating done. And to be fair, Tia did actually manage to put up one roll before the urge to wriggle out of her hotpants and play with herself got too much for her. At the rate of one frig a roll, we're going to have to employ her for days to do one room, but at least we won't be in danger of running out of wallpaper paste.

REAL WIFE SEX

Jess knows how to keep the handymen in line

"I could feel every centimetre of my fanny getting stretched and boy was that good!"

We're having a lot of work done on the house at the moment and my husband has been a dick and left me to sort it out. I decided that I needed some help from the joiners, Tony and Alan were the main blokes on the job so I needed to get them on side. To get the best from them I thought I would give them an interim bonus. I'm not used to dealing with workmen as we've never had this kind of work done before so I had to give it some thought. One night as they were leaving I said we would need to plan the next weeks work, that was new to them, but with bemused looks they agreed that a meeting the next morning would be good. My husband was working away as usual so I had the evening to plan. I had a glass or two of wine and my mind went to work.

I woke early the next morning, showered and set to donning my sexiest black threepiece, plus stockings. I'm in my late thirties, five feet four and slim, and still look OK, I think! As the heating was off the guys were used to me walking around fully dressed with my dressing gown on top at any time of day to keep warm so this morning was no different. When they arrived I asked them into the sitting room which was the warmest room in the house, and especially so today!

I started off; "OK, we've fallen back on the schedule so I thought you guys needed a bit of a bonus to get us back on track". I then let the dressing gown drop to the floor and watched their eyes widen and jaws drop. I stepped towards them; "Let's start the meeting here."

I reached forwards and stroked the front of their jeans, the reaction was pleasantly impressive. A brief glance at each other, they then simultaneously reached forward and started cupping my breasts, Alan rubbing my nipple which stiffened and sent shivers through me. That was it, their hands were all over me, stroking my bum and thighs and then back to my breasts. The speed in which they covered my whole body was amazing as was the excitement building in me. In a pincer movement they unhitched my bra and released my boobs. Tony was lapping away at my nipple in seconds and I was loving it. My nipples hardened more, the sensation was electric.

So now it's my turn I thought, and pulled them away from my tits. Dropping to my knees, I took hold of Tony's zipper and yanked it down. I reached inside to pull out a nicely hard cock, then rubbed the foreskin back showing a nice plump helmet. I started to massage the shaft and sac gently with one hand and was rewarded with moans of encouragement. I turned to Alan who had helpfully dropped his pants and was quite taken by surprise. Alan was the rugby player of the two, stocky and well built which was evident by his cock. Shorter but much thicker than Tony's.

Wow, I thought to myself, that will take some effort! They were both sticking up like stair rods with their owners grinning widely, with one in each hand I continued the massaging. After a few minutes I bent forwards and took Alan's in my mouth, I could barely take it all in so licked up and down the shaft and around the head. I didn't think it could stiffen any more but he groaned and it turned to solid steel. Out of fairness and to ease the ache in my jaw I turned to Tony and did the same, his cock jumped to full hardness and he moaned his appreciation.

I was still massaging Alan's balls and shaft when he pulled away. Stepping behind me, he very gently held my waist and pulled me to my feet, still with Tony's cock in my mouth. He easily lifted me and in seconds he was helping me to step out of my thong. He knelt, I spread my legs and invited his tongue into my pussy from behind. It was my turn to whimper as his tongue delved deep inside me. I pushed backwards and gently wriggled as his tongue darted back and forth, my legs very nearly gave way. My pussy got wetter and wetter as he sucked the juices from me.

I then pushed Tony back onto the couch and he hurriedly whipped off his jeans, I straightened up, turned to Alan who was still kneeling and pulled his face back into my crotch. He certainly knew how to lick me out. I then felt Tony's hands at my waist and a pull backwards, he guided me onto his cock with a deft aim and I slipped down easily. After taking a deep breath, and a moment to settle I started to slide up and down effortlessly. Tony stared at my bobbing arse as if transfixed. Alan stuffed his cock back in my mouth and I slurped eager to please.

After a few more minutes of bouncing up and down on Tony, I looked up at Alan and said, ok it's your turn. As his cock was thicker I wanted to be in charge this time. I told Alan to sit next to Tony on the couch. I lifted off of

Tony, and with a smooth pirouette stepped over Alan, I grabbed his post and began to lower myself onto the widest cock I'd ever had. I think starting with Tony helped but I could feel every centimetre of my fanny getting stretched and boy was that good. I gasped, sank down further on him and then tried to relax on his pole. There was a pause, I needed to gain composure, I needed to be in control. I told Tony to stand so I could suck my own juices from his cock. I gently gyrated my hips for a few minutes before I really felt I could cope with Alan's size. It was a good job I was so wet as I slipped up and down his pole, slowly at first, watching his facial grimaces. I was getting used to the size of his dick which pleased me immensely and I began to quicken the pace as I danced, gripping him inside me.

Things for Tony were now getting tense. His thrusting at my mouth quickened, I felt his balls tighten and a wave of contraction spread up his shaft, he grabbed the back of my head and pulled my mouth deeper onto his cock. I pulled back licking all the way and just reached the head when great globs of cum emerged at speed. I couldn't take it all and some dribbled down my chin which added to the look of total abandon. I could now concentrate on Alan but needed a bit of help. They obviously work as a good joinery team and this carried on here. I leaned backwards and felt myself falling as Alan was thrusting upwards into me. At that moment I felt Tony's hands support me under my arms and reach forwards to stroke and squeeze my nipples again. Impaled on Alan's cock, I whipped both my legs forwards, resting my feet onto his shoulders as he and Tony lifted me up and let me drop back down on to his shaft. Bloody hell was this good. I felt every single thrust pulse through me and the attention Tony was paying to my tits was really helping.

Another four or five thrusts and I was feeling my own end was in sight, I thought I was going to faint. Having four hands on me at the same time and the biggest cock I'd ever had well inside, was too much and I started to convulse with pleasure, the tidal waves hit me and I was gone, I sat down hard on his cock, tried to muffle my groans and shivered. I wriggled until I could hardly move anymore and then just wilted, only to be lifted again as Alan grunted and I felt him shoot into me with more power than I'd felt before.

On readjusting position, I sat forwards and relaxed on his chest. I was knackered and frankly, well fucked! I felt him reduce inside me and then slowly regained a bit of strength in my legs. His come drained from me as I raised myself, I took a step back, leaned forwards and took one last slurp of our combined juices.

I thanked Tony for his help and they both grinned with satisfaction, I'd done a good job. I bent over in front of them giving them a lasting view of my sexy little arse, picked up my bra, thong and dressing gown and made my way wearily back to my bedroom to clean up. Now you can both get back to work I said as I walked away and we'll discuss further bonuses later, if the speed of progress improves.

And to round things off this issue, it's time for some more bathroom japes, this time on the company of the lovely Daisy, who insists she doesn't need a bath 'cos she already had one this morning!

"Of course I did! Knowing that I was going to be shooting for Escort, I wanted to make sure everything was in order, so a nice soak, a hair wash and a careful run of the razor over my pussy to make sure I was all ready for you!"

Well, we appreciate the effort, Daisy! But does that pussy really feel as smooth as it looks?

TINDRA

Time flies quicker than a broomstick-riding witch with a jet engine wedged up her jacksie. Can it really be a whole year since Escort last pulled out all the Halloween stops? Clearly it has been, because here we are, with Tindra doing her bit to fuel those all hallowed eve fantasies. So is she a fan of the festival?

"No, I'm not, but I am a fan of Harry Potter, so I'm trying to channel that for my witchy performance! Reckon this broomstick would be any good for a game of quiddich?"

Doesn't look like it'd even be much good for sweeping the floor. Still, if it's a ride you fancy, maybe I could help…?

05. Ann
Brum

"My hubby loves it when I give him my maid service!" says 46 year old Ann. "Mind you, it doesn't involve much dusting or making the bed, but rather cock-sucking and a lovely bum fuck!"

04. Jessica
Midlands

"There's only one thing better than bringing myself off with this pink beauty crammed up my cunt," says Jess, "and that's bringing myself off with this up my cunt and a rock hard cock in my arse!"

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing...

06. Sam
W. Midlands

"I love to get guys all worked up by letting them play with and fuck my DDs before giving him access to my slot!" says busty Sam, 26. "I'm always rewarded with a big blast of spunk!"

07. Jessica
Yorks

21 year old Jess isn't backward at coming forward...

"If you've got it, flaunt it, that's what I say! I think putting on a filthy floorshow gets me even hornier than it does my randy boyfriend!"

LDO

£25 PER PIC!

Roxy

We've all had plenty of time to get used to a quiet night in – seven days a week for the last four months or so means we should have pretty well perfected it.

Roxy certainly seems to have got the hang of things, in any case... "I used to be a bit of a party animal, but now I'd definitely rather stay home, as long as I've got someone to keep me company. A bit of Netflix and chilling on the sofa with a bottle or two of wine and I know my cunny will be getting a good work-out before long. Mmm!"
